This contract is for placement on the Waiting List for a future Pomeranian puppy produced by Belle House Pomeranians. The fee guarantees your position on the list to pick your future puppy. This \$250.00 non-refundable fee will go towards the purchase price of the puppy. Once this contract has been signed and the fee has been made you will secure your position to choose one puppy from a future litter. If you would like more than one puppy, you will need to place a deposit for each puppy desired. Placement on the list will be in the order in which deposits are received.

Puppies will not be evaluated and priced until they are 6 weeks old. This time is needed for puppies to grow to an age where a proper evaluation can be completed. No choices will be made prior to 6 weeks of age. Once the puppies are 6 weeks of age, Belle House Pomeranians will photograph, evaluate, and price each puppy. We will then contact deposit holders to pick or pass until all of the puppies have been chosen. Each deposit holder will have 4 days from notification to choose their puppy. If no reply is received within the four days, it will be considered an automatic pass and the waiting list fee will carry over to the next litter(s) until you have decided upon a puppy.

Once your choice has been made you will then sign a purchase contract for the puppy and pay an additional \$250.00 which will make the total deposit \$500.00 which will come off the purchase price of the puppy. Once the puppy is under contract the entire \$500.00 will now become non-refundable and non-transferable. The puppy will then be put on reserve and not made available to another buyer. All puppies must be

paid in full prior to or at pick up. Puppies are usually ready to go to their new homes at approx. 8-10 weeks of age. Contractual details of purchase will be in the purchase contract available at your request.

We will attempt contact using the information provided within this contract. It will be up to the buyer to update Belle House Pomeranians if contact information changes. If you are not responsive to our attempts to contact after two litters then we have done our due diligence and will place you as inactive on our list, it will then be up to you to contact us when you are ready to re-activate your position. An inactive position will be a place marker holding your position, but you will not be contacted about litters until you re-activate your status. You have three years from this contract date (regardless of active or inactive status) to make a purchase. If you have not purchased by the end of three years, the waiting list fee will not be returned, and this contract will be null and void.

Circle the specific sex you would like to be on the list for or if you would like to have the option for all puppies regardless of sex circle both.
